Volume 7 No 2

Welcome to a new and interesting phase for both the novice and experienced collector worldwide. Volume 7 Number 2 of the Australasian Badge Collector Magazine sees a change from our regular format to a reference style magazine. This edition has nicknamed "Reference One".

We have tried where possible to devote two pages per Agency / Department or State in an effort to give you the broadest view of memorabilia from within Australia and it's Territories.

To the best of my knowledge this is another first for the association and will certainly not be the last.

The reference edition would not have been possible without the tireless efforts of the Committee and collectors both within and outside the association. I hope you find this magazine as interesting as I found putting it together for you.
